

RONALD TORRES

COMPUTER
ENGINEERING
STUDENT

/ ABOUT ME

I am a Computer Engineering student with a special passion for web development. Although I do not yet have any work experience in this field, my enthusiasm and dedication to web development make me a valuable candidate for any company.

My academic training has provided me with a solid foundation in information technology and I am confident that I can contribute a lot of value to any project I am involved in. I am constantly seeking new opportunities to learn and grow in my field of study.
